### Township Meeting Notes:

- We are still adding values for the 2019 year through July. Notices will be sent in August.
- We have had many renewal applications since the forms were mailed April 1. We will be taking those until July 1, 2019.
- Leigh attended the Career Day yesterday and had a really good time. She visited with 6 classes of middle school children to inform them of the assessment process.
- We are going to hopefully go live tomorrow with the sharing of files with the County tomorrow. This has been something we have had multiple meetings on with the County. This will eliminate postage as well as time entering these forms in the long run.
- Tax bills will be mailed May 1st.
- The field staff will continue the measuring for sales, neighborhood studies, and permit follow ups.
- I am meeting with the Pheasant Lake Estates Homeowners Association on April 22<sup>nd</sup> to talk to them about the property tax bills and the changes that were made with them.
- Sarah is working on getting all of the values for the Pheasant Lake Estates as well as the rates to send to the park owners.

- Paige is working on reassessing all of the Condo/Townhomes in the township. We have 8 different areas that we will be reassessing for the 2019 year.
- I have been adding values for all of Lincolnshire Estates Subdivision homes as well as adjusting all of the land.
- We are hoping to make adjustments to many of the subdivisions being it is our Quadrennial year.
