

TOWNSHIP OF CRETE

Office of the Assessor

Mary Margaret Tamez

Assessor

Township Meeting Notes:

- I am finalizing all the appeals. I have hearings through December. The total for the 2019 year was 87 appeals.
- The field staff has been updating all the properties based on permits and sales.
- We have started looking into all our commercial/industrial properties and will be visiting properties to look for vacancies as well as the property use.
- We have been working with Pheasant Lake Estates to update the property owner names in our system. With the change of management, we were not receiving all the updated information. They have been very helpful in getting this information.
- I am going to reach out to the fire departments to ask that they let us know if there is a fire that we are informed to be able to make the reduction in the assessment. Many times we have to submit corrections and get this information can seem hard to do.
