**Township Meeting Notes:**

- It is appeal season and I have been busy working on them in the office. We currently have 70 appeals filed with the Board of Review for Crete Township. Of these, I have filed stipulation agreements with eight based on the evidence submitted. I have submitted evidence for an additional twenty-three. They are currently docketed through the end of October.
- The field staff has been out measuring and catching up on all of fieldwork. We have updated all of the warehouse / businesses located along Union Avenue and Chicago Road from Steger Road to the viaduct. It has been quite some time since we have had updated information and photos. Leigh is working on getting all the information up to date.
- Sarah has continued to work on the in-town study for the Village of Crete and Paige is entering sales, deeds, exemptions as well as updating the property information found in the field check visits.
- I have found that the faxes have always been going to my app. They are just notifying me via email with nothing attached and I am then to be retrieving them from the ring central application. There was nothing additional that was needed. Sorry for the confusion, I was just left unaware.
