

Office of the Assessor

Mary Margaret Tamez

Assessor

February 13, 2019

Township Meeting Notes:

- Paige, Sarah, and I have started for the 2019 assessment year. We will be adding values for the 2019 year through July. Notices of these changes will be sent in August.
- Because of the cold, the field staff has been staying indoors more often. During this time, they work on getting the studies ready, filing done and attaching homes for sale ads to the properties that are listed for sale. We also have ongoing building permits and as well as recent sales that our field staff is following up on the measuring and taking photos for our records. This keeps all the properties up to date after a change.
- I have been asked to do Career Day at the Crete Monee Middle School in April. I am looking forward to meeting with all of the students to explain the property tax process.
- Paige, Sarah and I are all signed up for all of our continuing education for our Certified Illinois Assessment Officer. Leigh is finishing her courses this year completing her CIAO.
- I am still waiting on the County to set up dates for our exemption event that we have annually. I was told I would have the dates by this coming meeting, I have not heard from Barb at the County. I will let you know as soon as I know about them.
