Township Meeting Notes:

- We are still adding values for the 2019 year through July. Notices of these changes will be sent in August.
- The County exemption event that was held Wednesday, May 29th was successful. We had over 80 exemptions filed that day.
- The field staff has been out measuring now that the weather has been slightly warmer. We have continues updating the properties after sales if needed as well as our neighborhood studies and permit follow-up's. Currently we are finishing our in town study.
- Leigh Barrett has completed her CIAO designation. We are now all Certified Illinois Assessing Officials. We are going to start working together on the commercial values throughout the township. This is a very large job that is going to take quite a bit of time.
