### BRANCH PICK-UP GUIDELINES

BRANCH PICK UP IS ON THE FIRST MONDAY OF THE MONTH STARTING IN SPRING. SEE DATES BELOW.

- This service is for the sole use of residents in the unincorporated areas for minor pruning and maintenance, ( cutting a tree down is not considered trimming or pruning), and is not intended to be used by contractors/and or residents cleaning lots for new construction, more open space, complete landscape removal or tree removal.
- If a landscaper or tree company is doing the cutting, it is their responsibility to discard any branches.
- Place cut ends facing the street in several small piles rather than one large one.
- Branches should be no larger than 6" diameter and free of root balls, stumps, dirt, stone, metal and construction material.
- This service is for pruning and general maintenance. **COMPLETE TREES WILL NOT BE PICKED UP.**
- We allow a maximum of 10 minutes at each location.
