Township Meeting Notes:

- We have been very busy with the quadrennial assessments that were mailed. Many calls and concerns with the increase in the assessment. I have currently made 80 assessment revisions after meeting with taxpayers based on the need for reductions in the assessments.
- The field staff has been out measuring. We have continued updating the properties after sales if needed as well as our neighborhood studies and permit follow-up's.
- As of today, we have sixteen appeals filed with the last date to file being September 9th. We usually have all of the appeals in the portal within 2-3 weeks. I am anticipating that I will be receiving more.
