## Township Meeting Notes:

- We all have been working entering the updated 2021 assessments. There have been changes in all parts of the Township.
- The County said they will be watching carefully to determine what steps they will take for all the exemption renewals due to COVID. They will keep us updated with what steps are needed. Today at our Assessors Association meeting, the member of the Supervisor of Assessments Office that joined us had no updates.
- Those that turn 65 this year are eligible at any time to fill out the Senior Homestead Exemption. We have had quite a few people coming in to fill the forms out.
- Permits, Deeds, PTAX forms have been updated monthly.
- We will be getting the field staff back out as soon as the snow clears.
