April 13, 2022

### Township Meeting Notes:

- Renewal applications will be mailed out 4/15/2022 from the Supervisor of Assessments Office. This will be for any Senior Freeze, Disabled Person, or Disabled Veteran Exemption. This is the first in person event since 2019. For the 2019 year we had 819 applications filed in our office. We currently have filled out 122 exemptions and 25 certificate of errors.
- Property tax bills will be mailed 5/1/2022. The first installment due June 1<sup>st</sup> and the second installment due September 1<sup>st</sup>. In looking at the Will County Treasurers website, it does not look like they will be doing the four payments again.
- Our field staff has been out measuring due to permits, homeowner requests, and neighborhood studies. Our field staff has badges, door hangars with our information, as well as a marked car to announce their visit.
- We must manually apply the tax rates to the assessments for all the mobile homes in Pheasant Lake mobile home park. This was submitted to the office this past week.
- Leigh was in Bloomington with one of her continuing education courses and attending the state conference for Assessment Officials. I was asked to be on the Illinois Property Assessment Institutes conference board that was held April 3<sup>rd</sup> through the 8<sup>th</sup>. There were Assessors from all over the state with many vendors and sessions throughout each day. It was very informative and great networking. I was honored to be asked to be on the board. The Illinois Property Assessment Institute compensated me for my room for a portion of the week that is helpful to our taxpayers.
