

TOWNSHIP OF CRETE

Office of the Assessor

Mary Margaret Tamez
Assessor

October 11, 2023

Township Meeting Notes:

- We have completed the appeal filings for the 2023 assessment year. We had a total of 57 appeals filed. I have been working on those hearings to ensure the assessments are warranted.
- We can still submit the Certificate of Errors to the Supervisor of Assessments Office through November 9th. I am letting the homeowners know that we should have everything completed by the end of October to give a little leeway with time.
- Our field staff that we had for the summer daily has come to an end. We happily have Sandy, who worked for us for many years, and Sheila to accompany her through our winter months. There is no need to have staff daily with the weather not being on our side.
- The staff is continuing to work on the field staff drawings to get all of the property record cards up to date. We have had lots of property changes throughout the last year to keep all of the ownership data and exemptions current.
