Township Meeting Notes:

- We are still receiving exemptions and renewals. The date listed on the form is July 1st as the deadline, however, we will still take them after that date.
- We have hired four members for measuring this summer. I am hopeful to catch up on all of the field work from the winter and get it ready to enter for the upcoming year.
- The mapping has been completed for the 2024 year. We have had 21 divisions and consolidations resulting in changes for 46 parcels.
- I received the 2024 tentative factor that will be applied to all assessments. This is based on the sales in the Township in comparison to our assessments for the 2024 year. That number is 1.1114.
- Leigh is drawing the field staff work, entering permits, and exemptions.
- Paige is doing all the deed work and exemptions.
- Our changes to the assessments must be entered by tomorrow.
