There were several items that were discussed by the citizens present. Trustee Albrecht brought the subject about the community kitchen stating that there were untrue statements being spread around on the social media posts. One she read was that the kitchen was to only be used for elected officials and employees of the Crete Township. This is not true, Yne kitchen will be used by and open to the public if they want to use our facilities. She just mentioned this to stop any rumors and untruths in the community.

Trustee Sterdivant brought the idea to donate money to an agency or company that deals with mental health issues. Supervisor Liccar mentioned that he is setting up a meeting with the Will County Mental Health Committee liaison next week on Tuesday, April 21, 2026. He will keep us posted. Trustee Elton brought to the audience's attention that we cannot act on anything on any matter unless it is put on the agenda. It was mentioned that any items to be discussed need to be submitted by March 1, 2027, next year to Clerk Buiter's office.

A motion was made to adjourn the meeting by Trustee Elton and seconded by Highway Commission Recupito. All present in favor and the meeting was adjourned at 7:21 PM
